

## NEWSLETTER SEPTEMBER 2018

### Meet the team

From left to right – Stephen (Volunteer), Beth (Volunteer), Lynne (Trustee), Helen (Volunteer), Julie (volunteer), Keith (Chairman), Natalie (Secretary) Lorraine (Treasurer)

### SUNDAY MARKETS

2018 has seen our Indoor Sunday Markets grow and become a vital source of regular income to the Trust to allow us to fulfil our charitable aims.

We showcase a themed café and home-bake stall each month as well as an array of stalls of local goods, including gifts, household items, food produce and crafts to name a few.

After a well-deserved summer break, our team will once again be hosting the markets on the following dates:

**14<sup>th</sup> October, 18<sup>th</sup> November, 9<sup>th</sup> December**

10am to 3pm, free parking and free entry.

If any stall holder feels they can help to advertise the market i.e. on your business page or via posters, please contact us.

### WHO WE HAVE HELPED...

With our funds this year we have been able to fulfil the requests of many children and families struggling through life with Leukaemia. Due to confidentiality, we cannot divulge all details, but here's a snapshot of some of our work...

Skydiving experience, pram, car seat, house refurbishment to cater for a newly disabled child, hospital travel to access treatment far from home, family holidays to make memories!

**Please continue to support us in attending our events so that we can continue this important work with children and their families in the Northwest!**

### WOMAN OF OLDHAM CHOSEN CHARITY OF THE YEAR!

TSJT are very proud and honored to have been selected as charity of the year by the Woman of Oldham Committee in their 25<sup>th</sup> anniversary year.

The Woman of Oldham will be hosting fundraising events throughout 2018 including a Ladies Lunch on 26<sup>th</sup> September at The White Hart, Lydgate, and 'Christmas Cracker' 17<sup>th</sup> November at Grotton Pavillion 2018.

For tickets to any event, please email or telephone TSJT for further details.

## 3D Pain Distraction System

TSJT has now purchased this innovative unit, and it is up and running on the Bone Marrow Transplant Unit at Royal Manchester Children's Hospital. The unit brings new technology to the treatment of vulnerable children undergoing necessary medical procedures as part of their cancer treatment.

### A VERY BIG THANKYOU TO...

Buckley's Bakery, Uppermill for their unfaltering support and donation of their famous meat and potato pie for our markets.

Our loyal stall holders who attend our indoor Sunday markets.

Julie and Helen for their hours of recruiting and organizing our stalls for the markets.

To trustee Lynne for her fabulous themed bakes!

### Chairman's charity support

TSJT were selected for a £200 donation from Saddleworth Parish Council's Chairman Nikki Kirkham, this year along with other local organizations that make a difference within our community.

If you have any unwanted items or gifts, why not donate them to our tombola stall, drop off at one of our markets or call us to arrange drop off or collection elsewhere.

### Awareness days

Our faithful trustees and volunteers have been out and about throughout the Oldham and Greater Manchester area spreading the word of our work undertaken locally to help our local children and families affected by Leukaemia and to promote TSJT Sunday Market.

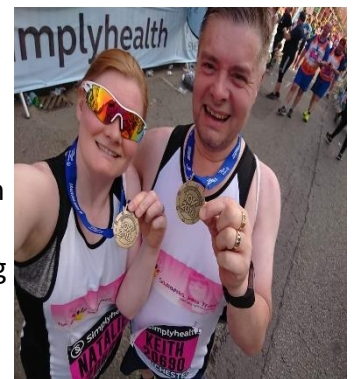

The next is 30<sup>th</sup> September at Tesco, Halifax.

### The Great Manchester Run

Trustees Keith and Natalie took to the streets of Manchester in May 2018 and ran 10K in scorching temperatures.

The pair raised £374.50 ++ between them, a great achievement and they are looking forward to training for 2019! If you would like to join the Run Team, contact us on 01457 829479

### Meltham Memories Weekend

9 stalls from our Sunday Markets travelled over to Meltham, as 'TSJT on tour' to celebrate the 40's Memorial Weekend. A good day was had by all and TSJT featured 2 tombola stalls from all of our generous donations!
